DONI NURRAMDAN
Programmer

BIOGRAPHY

I was born in Ciamis on March 7 1992, first child of 4 siblings.
Nice to do reasearch/ triail of free energy, robotics, IT, dan science.
Always trying to achieve Indonesia Digital Age through a simple application prototype.

More often in front of a computer/ android for complete build data processing be digital, with a personal motto:

" With program, all problem have solution acurate, fast and fair "
